Data Source Sheet 1

"Worksheet" for visualization

Adding a text field

The screenshot shows the Tableau Public interface with a workbook titled "Tableau Public - Book1". The main view is "Sheet 1", which displays a list of genres in the Columns shelf. The genres listed are: Accion/Aventura, Angustia, Ciencia Ficción, Drama, Fantasía, General, Horror, Humor/Parodia, Misterio, Ninguno, Poesía, Romance, Songfic, Universo Alternativo, and Viaje en el Tiempo. The Rows shelf is empty. The Marks shelf is set to "Bar". The Filters shelf is empty. The Data pane on the left shows the data source "hp_es_clean-postrefine" and various dimensions and measures. The Dimensions pane includes Author, Characters, Fandoms, Finished, Genres, Rating, Series, Warnings, Web-Scraper-Order, Web-Scraper-Start-Url, Work Url, Worktitle, and Measure Names. The Measures pane includes Chapters, Comments, Reads, Words, Number of Records, and Measure Values. A tooltip is visible over the "Genres" dimension, showing a list of genres. A "Show Me" button is located in the top right corner. A sidebar on the right side of the interface provides guidance on adding fields to the visualization.
